

PACT SIGNED IN BLOW TO REDS

Bill Boosts Letter Cost To 4 Cents

Penny Post Card Also Would Go Under Senate-Voted Plan

WASHINGTON, Sept. 8 (AP)—The cost of sending a letter would go up from three to four cents under a postal rate increase bill passed by the Senate last night and sent to the House.

The measure also would make the penny postcard only a memory, raise air mail rates and boost charges on other types of mail in an effort to swell the Post Office Department's revenues a round \$400,000,000 a year.

Even so the department would be left in the red. Its expenses now outrun its income more than \$500,000,000 annually.

And it was only because the Senate wangled so long over the rate increase bill that it failed to increase the pay of postal workers slightly more than \$200,000,000 a year.

Senators had hoped to whip through an 8.8 per cent salary increase for postal employees yesterday, but at the end of last night's session Majority Leader McFarland of Arizona said it now will have to wait until other top-priority legislation is out of the way.

When it meets again Monday, the Senate will take up a \$61,000,000 military appropriation bill.

Despite lengthy debate, the Senate in the end made only one change in the postal rate increases recommended by its post office committee.

By a vote of 36 to 24, it adopted an amendment of Senator Long (D) of Louisiana making a 60 per cent increase in the postal rates for magazines over a three-year period.

The increase would be 20 per cent a year instead of the three 10 per cent increases proposed by the committee.

Staff members of the committee estimated the effect, money-wise would be to bring in an additional \$6,000,000 a year when the full 60 per cent increase took hold.

Long offered the amendment after Senator Douglas (D) of Illinois was defeated, 32 to 28, in an effort to boost the rates on both newspapers and magazines 60 per cent instead of 30 per cent over three years.

At the end of three years, when the higher rates on newspapers and magazines would be in full effect, the committee estimated the Post Office Department would realize about \$16,500,000 in additional revenue.

The department's biggest yield would come from raising the rate on first-class (sealed) letters from three to four cents. The change would bring in an estimated \$200,000,000.

The upping of the charge on post cards from one to two cents is expected to add \$44,136,000 to postal revenues.

The committee estimated that the higher rate on air mail, from six to eight cents, would increase postal revenues by \$16,768,000. Higher rates for third-class mail are expected to account for an extra \$35,000,000 after a graduated two-year increase.

Rates on fourth-class mail (largely parcel post) would be raised about \$63,011,000 a year, while increased charges for special delivery letters, registered mail and other special services would bring in some \$26,353,000.

Only 15 More Days To Register

To be eligible to vote in East Liverpool at the Nov. 6 general election, you must register with the Election Board at City Hall.

You haven't voted at least once in a primary, general or special election, in the last two years; you've changed your name by marriage or court action; you've changed your residence since voting last; you've become 21 since the last election or will be 21 by Nov. 6, the general election date.

A new resident is qualified to vote after he has resided in Ohio a year and in Columbiana County and his precinct 40 days prior to Election Day. East Liverpool is the only county subdivision where voter registration is required. The Election Board office is open daily and registration hours are 9 a. m. to noon, and 1 to 4 p. m., and Saturdays 9 to noon.

Registration Ends Wednesday, Sept. 26

Reds Express 'Regrets' For G.I.'s Slaying

Say They Arrest Policeman In Latest Berlin Border Rift

BERLIN, Sept. 8 (AP)—The Russians today expressed regret for the fatal shooting of an American soldier Thursday night on the Russian zone border.

They announced they have arrested the East German policeman who fired the shot.

The soldier was shot when his car crashed into a barricade at the Soviet zone border on the outskirts of Berlin. He died yesterday in a Russian military hospital in Potsdam.

Russian regrets were sent by Sergei Dengin, chief of the Soviet control commission for Berlin, in a letter to Major General Lemuel Mathewson, U.S. commander.

The letter said the Soviet zone "people's policeman" who shot the soldier is under arrest pending completion of an investigation by Soviet authorities.

An official American statement observed, however, that "although Mr. Dengin express his regrets, he failed to justify the wanton use of firearms by the people's policeman against an unarmed American soldier."

The statement added: "Any further action taken by the United States authorities will be announced." This meant the U. S. authorities reserved the right to protest, and probably to demand indemnity, if their investigation warrants it.

The soldier's name was withheld pending notification of next-of-kin. His body was released to U. S. medical officers by the Russians today.

It is expected the U. S. Army will send a sharp protest to the Russians over the shooting because eyewitness reports indicated no provocation to justify the shooting.

Hasty Burglar Gets \$71 But Overlooks \$20

A burglar obtained \$71 early today in the Diamond Restaurant, but he worked in such a hurry he overlooked a \$20 bill in one of two rifled cash registers, police reported.

The intruder gained entrance sometime between 1 and 7:20 by removing a transom in the rear of the building on the Diamond, police said. Then he pried the hinged door open to go from the kitchen to the tavern proper, officers said.

Officers said the registers were not damaged, as they were not locked. A drawer containing petty cash also was pried open, but the safe was left untouched.

The stolen money was left as change for this morning's business, as the bulk of the Friday receipts were banked. William Dallis is the proprietor. The investigation was made by Chief L. J. Wise, Lieutenant George Kidd and Patrolmen Chester Brown and Robert Duffy.

West, East Berlin Reach Truce In Road Tax Dispute

BERLIN, Sept. 8 (AP)—Soviet East and Allied West Berlin today reached a truce in their intractable war of the road taxes which saw them confiscating each other's autos and trucks in a hectic 30-hour tit-for-tat.

But the tax which started it all remains. This is the toll which the East German Communists are exacting from West Berlin and West German vehicles which travel through the Russian occupation zone on Berlin's lifeline to the west.

The war within the city ended when the west promised to seize no more Soviet-sector vehicles and pulled back the police reinforcements it had rushed to the sector borders during the tax controversy.

Thereupon, the East Berlin Communists began releasing several hundred West Berlin cars and trucks they had impounded yesterday afternoon, last night and this morning.

They promised to collect no toll on these vehicles because the west promised to repay what its police had taken.

2 Cars Struck In Hit-Skips

Woman Driver Cited In Third City Mishap

Two autos were damaged in hit-skip crashes downtown Friday and early today and a woman driver was cited after a third collision in East End, police reported.

Seaman Herbert A. Ranquist, 22, of Auburn, Ill., told police his auto and the trailer it was pulling were damaged in a crash at 4 1/2 a. m. on Dresden Ave. The offending car failed to stop after hitting the sailor's parked vehicles, he said.

David T. Bishop, 39, of Dailey, W. Va., said the left rear fender of his 1948 sedan was damaged by another hit-skipper at 10:49 p. m. as he drove south on Dresden Ave. at Webster Way.

Marie Roberts, 22, of Pennsylvania Ave. forfeited a \$31 bond today in Municipal Court on a charge of driving without an operator's license cited by police after a crash at 3:08 a. m. on Pennsylvania Ave.

Police said her auto was in a collision with a 1950 sedan driven by Mildred Vlnuck, 28, of Third St., Midland. The local woman said she stopped to make a left turn onto Valley Ave. and was hit from the rear by the Midland car. She was cited by Lieutenant George Kidd and Patrolmen Ira Cunningham and Mike Winters Jr.

Builder Of Salem's New City Hall Killed

SALEM, Sept. 8 (Special)—The construction superintendent for Salem's new City Hall won't be around when residents inspect the building Sunday at an open house, Charles Gull, 50, of Canfield was killed Friday night when his small truck hit a guard rail on Route 62 north of here in Mahoning county. He died of a fractured skull.

Mayor Harry M. Vincent will cut the ribbon across the front door at 2:30 p. m. to start the ceremonies, and municipal employees and auxiliary firemen will be guides.

The \$300,000 building was erected by the Campbell Construction Co. of Warren two blocks away from the 102-year-old City Hall that now stands vacant. Besides municipal offices, it houses the Police and Fire Departments.

'Hate West,' Red Schools Tell Beginners

Open Letter Calls On East Berlin Youth To Love 'Great Stalin'

BERLIN, Sept. 8 (AP)—A woman official of the Communist youth organization aimed an open letter at 6-year-old school beginners today, instructing them to:

Hate and fear the western allies and West Germans, but love the "great Stalin" and "keep his words in your heart".

Junge Welt (Young World) printed the letter, written by Margot Feist, secretary of the central committee of the Communist Free German Youth. Junge Welt is the F.D.J. paper.

Miss Feist addressed the Young Pioneers, the 6-to-14-year-olds of the F.D.J., and especially "our school beginners for whom the school bell now rings for the first time."

"Our beloved President Wilhelm Pieck thinks and works day after day that you should have a happy life.

"But the owners of the big factories and banks in America, France, England and in West Germany which manufacture bombs and guns—the Krupps, the Adenauers, the Schumachers and Reuters—want to destroy our country through war, lay waste our homes and schools. They want war because they make much money out of war. They are our enemies because they threaten our happy life.

"The peace-loving peoples of the world, led by the peace-loving Soviet Union, have joined together to defend the peace and the lives of all of us.

"You also should devote all your energies to help peace-loving people and our government in the fight for peace."

Final Curtain Nears Miss America Winner To Be Announced Tonight

ATLANTIC CITY, Sept. 8 (AP)—The spotlight in this thronged seaside resort will swing to beauty and glamour tonight for the crowning of the new Miss America.

It is the final curtain in the pageant which started with 51 aspiring pretties. By nightfall only 10 will have a chance at the titles with its prized scholarship and money-making possibilities.

The big moment is scheduled for 11:30 p. m. when the judges are expected to announce the 1952 Miss America.

By noon 15 contestants will have been selected as scholarship winners. The 10 receiving the highest number of votes will appear in the finals tonight.

The other five automatically will receive \$1,000 scholarships. Names of the 15 will not be announced, however, until tonight's performance begins.

There are three divisions in the

Group O.K.'s 61 Billions For Military

Senators Say Bill Provides For New Secret Weapons

WASHINGTON, Sept. 8 (AP)—The Senate appropriation committee gave unanimous approval yesterday to a \$61,103,865,030 military money bill which members said provides for secret new weapons more terrible than the atom bomb.

The Senate committee increased by \$5,000,000,000 the amount voted by the House. The added funds were earmarked for Air Force expansion, with a recommendation that the Air Force be built up to at least 95 groups.

Senate Democratic Leader McFarland of Arizona told senators he will call the bill up for Senate action Monday.

Senator O'Mahoney (D) of Wyoming said some of the funds would go for the new secret weapons. He added that if Russia launched a new world war, she would be crushed in the same manner that Adolf Hitler and the German Nazis were defeated during the last war.

The big committee increase for air power would go to the Navy and Air Force for plans they have not even submitted in detail to the Congress.

Closed-door testimony, made public after it had been censored in many places, disclosed that Pentagon leaders had planned to ask extra billions later.

As the measure reaches the Senate, it carries \$20,026,170,030 for the Army, \$20,001,585,000 for the Air Force and \$15,544,891,000 for the Navy and Marines.

The extra \$5,000,000,000 was placed under funds for Secretary of Defense Marshall until the joint chiefs of staff, with presidential approval, submit specifications to Congress.

An accompanying committee report made it clear that the Air Force would be expanded to a minimum of 95 wings, while closed-door testimony of Air Force leaders indicated the actual goal is 150 to 160 wings. This would more than double the present size.

O'Mahoney told reporters that "every scrap" of testimony about the new secret weapons had been deleted from the 1,910 pages of closed-door testimony made public by the committee.

There were some surprises, however.

Senator Young (R) of North Dakota, first committeeman to confirm President Truman's recent statement about "fantastic" new weapons, was quoted as asking this of Air Force leaders:

"Are not guided missiles pretty apt, by 1953 or 1954, to supplant in large measure the use of planes for protection of the United States? If so, should we not have additional contract authority to produce guided missiles?"

Lieutenant General C. B. Stone, deputy chief of staff on the Air Force, replied:

"They are included in that phase of the program, sir."

The term "guided missiles" applies to a long list of shells, rockets, projectiles and even pilotless planes that can be controlled or directed to hit targets. The terrifying buzz bombs showered on England by Germans during World War Two were in this class.

Voice Of Promised New Japan

'We Accept Pact,' Yoshida Says In Dramatic Speech

SAN FRANCISCO, Sept. 8 (AP)—The voice of a promised new Japan spoke out dramatically last night to accept the peace treaty ending the war of the Pacific.

It was the quiet voice of Premier Shigeru Yoshida—proud and happy as he addressed the delegates of 52 nations for the first time.

The little 72-year-old leader of 8 million people came forward in a dark blue suit and a red striped tie. He bowed twice—once to the Opera House, once to Secretary of State Dean Acheson, the presiding officer.

Acheson introduced him as "his excellency, the prime minister."

Yoshida, barely five feet tall, unrolled a Japanese scroll and began simply:

"The Japanese delegation accepts the peace treaty before the conference."

Yoshida pledged that "we will not fail your expectations" to build a peaceful, democratic nation out of the debris of war.

He looked back at the past with a touch of sorrow for the suffering brought on by a plundering Japan.

Even so, the spokesman of the vanquished island nation accepted the peace treaty with the statement that there are certain points "which cause us pain and anxiety."

And he didn't hesitate to stab several times at Soviet Russia.

Enemy Troops In Kaesong, U.N. Informed

Source Also Reports That Red Tanks Are Still At Truce Site

KOREA, Sept. 8 (AP)—An Allied source said tonight the Reds have a number of troops and tanks in Kaesong, site of the suspended Korean armistice negotiations.

The United Nations command learned this week from a source considered highly reliable that major elements of a Chinese division remained in Kaesong after the Reds agreed July 15 to make the city a neutral area.

The Allied command said also that Red tanks had been reported moved into Kaesong.

Some of the Red soldiers reported in the city were said to be in civilian clothes. They watched the United Nations cease-fire delegation move in and out of the city before the talks broke down Aug. 23.

Communist propaganda broadcasts, meanwhile, hinted that the Reds may be willing to change the site of cease-fire talks from Kaesong as proposed by General Matthew B. Ridgway.

The remarks were unofficial and did not say the Reds accepted the supreme Allied commander's proposal. The talks have been suspended since Aug. 23.

The first hint came from the North Korean Red radio at Pyongyang. It urged the Korean people to be "cautious" about changing the site.

Later the Peiping radio quoted a Communist correspondent as saying "wherever the talks are held, nothing will come of them unless the Americans are willing to agree to the armistice on the lines proposed by Malik." Presumably he was referring to the 38th Parallel, where the Reds want the buffer line drawn. The U.N. wants the buffer zone generally along present battlelines.

U.S. Hastens War, French Red Declares

PARIS, Sept. 8 (AP)—Jacques Duclos, top-bracket Communist leader in France, declared last night America is leading the world to war and only the efforts of Russia prevent it.

Duclos' speech was published in full in today's Communist party newspaper, L'Humanite, occupying more than a full page of type.

His speech was such as he had made many times before, blaming America for most of the difficulties now suffered by France and declaring the Communist party is the only one sufficiently independent of America to bring about a remedy.

65 Jets Duel; Other Planes Hit Red Tanks

Allies Still Try To Figure Out Meaning Of Increased Activity

KOREA, Sept. 8 (AP)—Forty Red and 25 United Nations jets fought a running battle today at heights up to 36,000 feet over northwest Korea.

United Nations flare-dropping planes last night spotted and attacked the third group of Communist tanks seen in three days.

Allied infantry outposts in west and central Korea dug in after shooting their way out of four Red traps Thursday and Friday.

What these accelerating actions portend still is a guess.

There were two leading theories:

1—The Reds in the west—the all-important battle sector north of Seoul—are bent on reoccupying the no man's land which has separated the main forces during a lengthy lull.

2—The Reds are probing and jockeying for position before launching a new major offensive.

Today's jet battle, 20 miles north of Sinanju, produced lots of flashing action, but there was no report of damage to either side.

For 25 minutes, 2 U. S. F-46 Sabers and 40 Russian-built MIG-15's made firing passes at each other.

The successful Allied air tank hunt was south of Wonsan on the east Korean coast. Marine Corsairs discovered the armored group by the light of flares near Singosan, 20 miles below Wonsan. The flares destroyed one tank and damaged two with a rocket attack.

Motorist Nicks 14 Cars In Zigzagging Drive

CHICAGO, Sept. 8 (AP)—Police traced a motorist's zig zag trail on West Side streets today and counted 14 cars which they said he had bumped or brushed in 14 minutes.

The survey was made, police said, after they took the dazed motorist, Joseph Wolanski, 30, from his battered sedan, which ended its car crumpling spree after hitting a curb.

Policeman Thomas Cahill said Wolanski's car first hit two autos on Pulaski Road near Congress St. It kept on going and struck two other cars when Wolanski attempted to pass on the left; hit an east-bound car, forcing it into a west-bound machine; bounced off three parked cars, and brushed five moving autos.

Police said six of the car owners appeared at the West Park police station to sign complaints against Wolanski.

Charged with driving through a red light, leaving the scene of an accident and driving while intoxicated, Wolanski was released on \$310 bond.

Diplomatic Slap Handed To Gromyko

Russians Defeated In Efforts To Stall Japanese Agreement

SAN FRANCISCO, Sept. 8 (AP)—Soviet Russia has fought and lost in the birthplace of the United Nations a desperate battle to prevent the resurgence of a Japan aligned with the West against communism.

It was her worst diplomatic defeat in the postwar era.

More than two-score nations joined in beating down the Soviets' three-day fight to stall the Japanese peace treaty.

And today all 48 of the non-Communist countries signed on schedule the historic document with Japan.

Only two countries—satellites Czechoslovakia and Poland—sided with the U.S.S.R.

The climax came last night after Japan's Premier Shigeru Yoshida accepted the pact on behalf of the defeated nation.

Grim-visaged Andrei Gromyko tried to revive a series of changes he had proposed earlier. These sought to limit Japan's military power, open the conference door

Russian Press Denounces Treaty

MOSCOW, Sept. 8 (AP)—The Russian press today pulled out all the stops in denouncing the Japanese peace treaty.

The newspapers lashed out at the United States and Great Britain, chief architects of the pact, and accused the two western nations of "high-handed" action at San Francisco.

to Red China and close Japan to U.S. armed forces.

Gromyko himself then went down to defeat in a free-for-all conference debate, shouting the diplomatic version of "We were robbed!"

He blamed his reverses here on American "pressure" on other delegations.

A short time later he rose from his fifth-row seat and, with his Communist colleagues, walked out of the hall. But it was a fake walkout in the sense of a Russian withdrawal from the conference. Three minutes later the Russian, grinning apparently at the excitement he had caused, walked back in again.

Gromyko called a press conference today, perhaps to explain his position and take a few last cracks at the United States and Britain and the treaty they so successfully sponsored here.

The day also is expected to bring the signing of a security treaty between the United States and (Turn to TREATY, Page 5)

Millport Has Freezing 30

Sunday To Be Fair, Somewhat Warmer

The season's first frost was reported in rural sections of Columbiana county today and no wonder—L. H. Copeland, U. S. weather observer at Millport, said the overnight low was 30 degrees!

That's 2 degrees below freezing. It was probably the lowest mark for this date since 1908, but there have been far colder temperatures for September. A light frost was evident, but there was no damage to crops because of dry conditions, he said.

The earliest killing frost on record was Sept. 12, 1917. The all-time low temperature for this date was the 24 in September, 1908. A "white frost" was reported at several county points. East Fairfield had an unofficial 38. Cadillac, Mich., also had 30 above, and many mid-west areas had readings in the high 30's and low 40's.

The Ohio Valley was warmer, of course, and the weatherman nearly hit it right on the button in his prediction for the overnight low—45 degrees. Dam 8 registered that mark at 7 a. m. and then the mercury fell one point.

About the same temperature range is expected tonight but Sunday will be fair and somewhat warmer.

A heavy fog that slowed traffic in the valley demonstrated the difference in temperatures, as it was "clear as a bell" in the cooler uplands this morning. The warm Ohio River accounts for this.

The fog halted boats and one was forced to tie up above the dam until mid-morning.

Death Threats Back Up Iran's Oil Ultimatum

Deputies' Approval Of Move Seen After 'Reign Of Terror'

TEHERAN, Sept. 8 (AP)—Iran's deputies—shaken by death threats from extremist National Front and Moslem leaders—are preparing to vote approval of Premier Mohammed Mossadeq's newest oil ultimatum to Great Britain.

The issue will come up in parliament tomorrow.

Continuing the reign of terror which has cowed the opposition, supporters of Mossadeq whipped a crowd of 5,000 into a howling frenzy yesterday.

"Anybody who dares oppose this sacred nationalistic movement (for Iranian control of Iran's oil production) is condemned to death by the Iranian people!" shouted Mullah Chams Ghanatabadi, Moslem chief of the Mujaheddin Islam (fighters for Islam).

"Death to the traitors!" roared the mob.

We have senators and deputies who oppose Mossadeq!" Mullah Chams Ghanatabadi continued, "action which we consider as opposition to the oil nationalization law. We have plenty of talmassabs (assassins) who will settle their accounts."

Following the demonstration, it is considered a foregone conclusion here that deputies will vote approval tomorrow of Mossadeq's ultimatum giving Britain two weeks to reopen oil talks or face having her technicians expelled from the closed refinery at Abadan.

Opponents boycotted the last session to avoid facing the issue.

The mob also howled approval of Egypt's refusal to obey a United Nations order to cease restrictions on Suez Canal shipping.

SOMETHING NEW IS ADDED. Curved ribs of a radical design lift this German racing boat clear of the water at bow and stern as it makes its maiden run on the Weser River.

Across The Appalachian Trail

Hall In Pennsylvania, Halfway On Hike

Bill Hall of River Road is in his second month of hiking on the Appalachian Trail, which stretches 2,000 miles from Maine to Georgia. In this article, he is nearing the halfway mark—Harrisburg, Pa. From there he'll strike southward through Virginia.

By BILL HALL

After being on the Trail for a few weeks, concentrating all of your waking moments on moving forward day after day, your body begins to feel the need for speed—an anxiety to squeeze every possible mile and very possible second out of the day.

You chaff at any small delay and push on nearly until dark in response to your mental and muscular demands to go on and on and on.

I walked 32 miles in one day and arrived at New York's Fehnestock State Park just as darkness closed down. Yet I couldn't sleep. I sat up until 3 in the morning talking with the park's custodian.

The next day I pushed across the Hudson River where the Appalachian Trail reaches its lowest point—the height of a bridge across the river at high tide.

Then up Bear Mountain and into Harriman State Park, where I slept on the summit, a full moon in my face and a cold wind chilling the dismal heights.

CAME THE DAWN, down went the oatmeal and on went Hall. On past the spot where Benedict Arnold met the British ship lying off Crown Point (so the sign said) on past vacation resorts on over

another couple of mountains and on—almost—to the neck of a huge ratter.

Bowling down a rocky hillside and not paying particular attention to where I was placing my feet I nearly stepped right on the big diamond back before I saw it. The squeal of my brakes could have been heard for 10 miles!

The poor old ratter, stretched out and unconcerned just dozed away peacefully in the sun, completely unaware of my presence.

Sadly disappointed in rattle-snakes I took its picture, stepped over the critter's back, and went on down the trail. It would have served him right if he had bitten me and poisoned himself.

I STAYED at a small hotel in Unionville, N. Y. close to the New Jersey state line a few nights later.

The proprietor had an immense Great Dane a mountain of an animal which needed its toenails trimmed. All night long this substitute for a Shetland pony paced the hall in front of my door—clackety, clackety, clackety on the bare linoleum.

I opened the door and stared a couple of times, but it stayed right there until morning.

On Sunrise Mountain I had better company however. Four fellows from a near-by air field were spending a week-end pass on the trail, and I spent the night with them spinning yarns and becoming well acquainted.

Portland, Pa., was only 10 miles away as the last night fell. Tomorrow I'd actually see a town and real live people again. But tonight, ah yes tonight I was sleeping in a narrow walk on the top of a mountain a heap of rocks for my pillow.

There was no water for five miles and it had been a long time since I had a drink. The cold hash didn't taste too bad, even if there wasn't any wood to heat it.

Yes perched high on my rock pile I had trouble and woes toiled and cares. But the wind was sweet the stars twinkled in the special way they do for those who live under the skies, and I was part of the night.

Shucks, who's got troubles?

Truman Talks Flood Aid With Missouri Chief

Promises To Send Recommendations In Letter To Governor

INDEPENDENCE, Mo., Sept. 8 (AP)—President Truman will fly back to Washington tomorrow, where he will draft recommendations for the Missouri legislature for helping the government with flood rehabilitation here.

The chief executive took a holiday today.

The President promised to send Missouri Governor Forrest Smith a letter next week on the recommendations he thinks the governor should make to the home state assembly.

Presidential Secretary Joseph Short said the President has no further engagements here.

The President came here after addressing the Japanese peace treaty conference at San Francisco.

He made a personal inspection of the flood damage in the Kansas City area both from the air and by automobile. He has asked Congress to authorize spending 400 million dollars to rehabilitate flood victims in Missouri, Kansas and adjoining states.

A highlight of his proposal is the creation of a flood disaster insurance program guaranteed by the government.

Smith suggested that the government establish such a program immediately, but that it be enlarged to nationwide application and that it cover not only flood disasters, but other national disasters, including earthquakes.

The governor called on the President in his suite at the Hotel Muhlebach in Kansas City yesterday.

It was their first meeting since publication of a presidential letter saying the state governments of Missouri and Kansas "have done absolutely nothing on the rehabilitation program."

Smith said he didn't discuss the letter but the program he submitted to the President said Missouri departments have worked ceaselessly and tirelessly "to speed emergency rehabilitation."

The President is staying at his home here. His secretary said he will not visit Kansas City again on this trip until he drives to the airport Sunday.

Children Get Extra Week School Respite

LISBON, Sept. 8 (Special)—Some 280 pupils at McKinley School tickled pink when opening of the new building was postponed to Monday by construction delays, turned rose-red Friday afternoon, at Superintendent V. J. Ullman's announcement that opening now will be Sept. 17.

The new date applies as well for two McKinley classes—a fifth and sixth—with rooms in the United Presbyterian and Christian Churches and three kindergarten sections two at McKinley and one at St. George's Parish House.

"Work didn't move as fast as expected this week," Ullman said "and since schools will be closed Thursday and Friday for the County Fair we decided to give workmen the whole week to get the building ready."

Firing Probe To Pit Brannan Against Mundt

Senator Denounces Secrecy Marking Cowart Dismissal

WASHINGTON Sept. 8.—Do government officials have any right to fire a departmental aid and refuse to tell the public why?

Senator Mundt (R) of South Dakota has embarked on a fight to prove through a Senate investigation that the answer is "no." It squares him off in a tilt with Secretary of Agriculture Brannan.

Mundt is a member of a Senate subcommittee which has started preliminary inquiries into relationships between Jack Cowart, whom Brannan recently fired, and wealthy or politically influential Texans who have received government loans.

Senator Hoey (D) of North Carolina, chairman of the special investigations group, confirmed yesterday that he has assigned the case to staff investigators for a check and has had Brannan before him for a talk.

The secretary recently fired Cowart as assistant to the production and marketing administrator but has refused to discuss his reasons with reporters on grounds it is departmental matter.

Mundt told a reporter he was instrumental in the subcommittee's decision to look into the case and that Brannan's policy of secrecy was a factor in his move for the inquiry. Mundt described it as "smacking of a bureaucratic iron curtain."

The poor taxpayer ought to be getting pretty frustrated with this sort of thing going on," Mundt declared. Secrecy, he added, has marked the entire handling of Cowart's case.

Raymond J. Foley, head of the Federal Housing and Home Agency, has announced that his department dug up some information concerning Cowart which led to his being dismissed.

But Foley has declined to give out details, contending that would be Brannan's business.

The FHHA said the information came to light during an inquiry it made into government loans to Capital Prefabricators, Inc., of Tyler, Tex. It added that Cowart's name bobbed up on matters incident to the loans.

The loans to Capital already have been investigated—and criticized—by another senate group.

A banking subcommittee headed by Senator Fulbright (D) of Arkansas at hearings in June 1950, described as "unusually lenient" treatment it said the firm got from the Reconstruction Finance Corp., which put up the money.

Donald Davis Heads Marine Corps League

Marine Corps League

Donald Davis was named commandant of the Pfc John Fox Detachment of the Marine Corps League at an election Thursday night at the Detachment Home.

Others named were Robert Turner, vice-commandant, William Briggs, chaplain, Robert Hanna, adjutant-paymaster, and William Neppie, sergeant-at-arms.

Jobey Wetzel, retiring commandant, presided.

Installation of officers will be held Nov. 10 at a Marine Corps birthday banquet.

Plans for the banquet will be made at the meeting Sept. 20.

Find Meters Pay

Ward is returning to duty less than three months after discharge because he kept thinking "the job in Korea wasn't finished yet." Ward won the respect of the nation last fall when he wrote to his mother, pleading for her permission to return to the front lines in Korea "to my dirty, stinking, and loyal platoon." His mother, Mrs. Glenn B. Peterson of Los Angeles, had lost two sons in World War Two which was the reason Ward was ordered out of the front lines. Ward is married, has a daughter, with a second child coming on. He won't see combat this time. He's going to train reservists in the art of fighting Chinese Communists.

Rev. Weimer To Speak

10 Nurses Will Get Pins, Diplomas For Graduation

"Broadening Horizons in Nursing" is the topic Rev. Calvin T. Weimer, pastor of the Chester Presbyterian Church, has chosen for his address to graduates of the City Hospital School of Nursing at 40th annual commencement exercises Tuesday night at 8:15 in the First United Presbyterian Church.

Ten senior nurses who completed their three years' training in July will receive their diplomas and graduate pins.

Miss Alyce Ann Apple, Chester, soprano, will be guest soloist and Miss Adda McLane, church organist, will play the organ prelude, processional and recessional.

Miss Apple's selections will include "Dedication" (Strauss), "The Cradle" (Gabriel Faure), "These Are They" (Harvey Gaul), and "O Divine Redeemer" (Gonoud). Miss McLane will play "Meditation" (Borbeck), and "Extase" (Ganne) as the organ prelude, "God of Our Fathers" (Warren), as the processional hymn, and "Marche Heroique" (Saint Saens), as the recessional.

Rev. Alexander K. Davison, the host pastor will give the invocation and benediction, and Dr. Charles Hodge Bailey, president of the Training School Board, will present the diplomas.

The Lions Club will make its annual awards to the two graduates maintaining highest scholastic averages throughout their training and unanimous awards will be presented by Mrs. Sarah E. Davis.

Hearing On Stoppage Of Gas Service Set

SALEM Sept. 8.—The Public Utilities Commission at Columbus today scheduled a hearing Oct. 5 for complaints by Robert J. Legg of North Georgetown against the Natural Gas Company of West Virginia at Salem, and the Lake Placenta Park Co. for service stoppage.

Legg representing some 40 home owners in Lake Placenta asked the PUC to order the utility and the park firm to restore gas service to the area.

He declared the park company notified the utility on June 1 that it would not be responsible for payment for gas consumed after June 15 and that the utility shut off the gas.

Legg charged that this move deprived some 55 home users of the service causing them hardship and monetary loss.

The gas company in answer to the complaint denied that Lake Placenta Park Co. was its agent. The company also denied that it had anything to do with installing gas lines to Lake Placenta.

Even Long Dry Spell Has Its Good Points

MARION, O., Sept. 8.—The long dry spell has speeded the soybean harvest in Marion county by two or three weeks.

Wilbur Williams, who farms near Prospect, delivered the first load of soybeans harvest this year to the Waldo Supply Co. yesterday. Usually soybeans are not ready for harvest until after the first good frost.

Williams brought in 90 bushels. They tested 13 for moisture content, considered good and weighed 55 pounds a bushel. The price was \$2.69 a bushel.

Eighty-eight of the 90 World War Two divisions were committed to action and their troops took more than 3,500,000 prisoners during combat.

Storm Threat Diminishes As 'Easy' Does It

Florida Mainland Expects To Escape Atlantic Hurricane

MIAMI, Sept. 8.—The monster hurricane named Easy—the fifth and most savage of the season—continued to swing to the north-west today and gradually lost forward speed.

Terrible 160-mile-an-hour winds still lashed the dark Atlantic into 100-foot waves, but each passing hour lessened the threat to the Florida mainland.

Hurricane experts at the Miami Weather Bureau said the turn to a more northerly course probably will continue for the next 24 hours.

This morning hurricane Easy was 740 miles east of Vero Beach, Fla. The strongest winds were 160 miles an hour, with hurricane-force winds (75 miles an hour) extending 100 miles from the center.

Somewhere in the storm's turbulent northern sector the steamship African Grove wallowed in "extremely high seas" and 100-mile-an-hour winds.

The ship sent in regular radio reports to the Weather Bureau and said she was not in any trouble.

Another steamship, the Rua Hine reported she was near hurricane Fox—the sixth of the season—far out in the Atlantic about 640 miles southeast of Bermuda.

The Rua Hine appeared to be having difficulty making observations, the Weather Bureau said. Neither vessel was further identified.

The Weather Bureau said it was most unusual to receive reports from two ships near two different hurricanes at the same time. Ships had been warned to avoid both storms.

Hurricane Fox is gaining in strength and speed. Highest winds were estimated at 115 miles an hour with hurricane-force winds extending out 100 miles north of the center and 50 miles to the south.

The storm is moving west-northwest or northwest at between 18 and 20 miles an hour. No land areas are threatened.

Bermuda was alerted for possible hurricane winds tonight and small craft on the North Carolina and Virginia coast were warned not to venture into the open Atlantic until Easy passes.

2 Russians Use State Funds For Wives' Vacations

MOSCOW, Sept. 8.—Two Soviet husbands rigged vacations for their nagging wives by dipping into state funds, the newspaper Trud reported yesterday.

Ivan Ivanovich Pereplista, deputy chief of the construction committee of a factory in Mariupol, Ukraine, forged a document so that his wife, Tatyana, got a free vacation in the south.

Tatyana was classified illegally as a productive worker. Such workers get paid vacations. Tatyana actually is a bookkeeper in the factory's financial department.

The second culprit, Comrade Kropinov, a chief of construction in the same organization, went one better.

He classified his spouse—who is actually a housewife—as a stakhanovite for vacation purposes. Stakhanovites are pace-setting workers who get outstanding recognition since they speed production.

Trud said the two erring husbands acted to satisfy their girl friends. The newspaper made this laconic comment: "It is well known that this leads to nothing good."

(The dispatch didn't say whether the four will get state-paid trips to Siberia, or what happened to them.)

From \$65 To \$250

Higher Prices Figured For New Automobiles

DETROIT Sept. 8.—Higher price tags for most lines of the nation's new passenger cars are being figured out today.

Some of the boosts, expected to run from about \$65 on the lowest-priced cars to as much as \$250 on higher-priced models, probably will be effective by the end of next week.

Authorization to make the increase under a complicated formula that would raise prices an estimated 5 to 6 per cent was given the industry yesterday by the Office of Price Stabilization.

By the time retail dealers are allowed to apply their profit margins, ranging from 15 to 30 per cent, it is estimated that the total boost may go as high as 8 per cent over current list prices.

Further price increases also are possible the O.P.S. order indicated.

The announcement brought immediate indication that the "Big Three" of General Motors, Ford and Chrysler will make the increases effective as quickly as possible.

G.M. President C. E. Wilson said the full amount of the increase authorized by O.P.S. will be passed on to the retail buyers. Chrysler said the order "does not give the relief that is needed." Ford withheld immediate comment.

In an earlier statement, however, Ford Vice-president Ernest R. Breech emphasized that Ford's manufacturing costs have gone up tremendously in the last year. He implied that a price increase would be made effective as soon as possible.

So far, only Packard has said definitely that it will not increase prices. Some others among the independents, or smaller companies, also are expected to withhold immediate price advances.

Under the formula for computing the new ceilings, the manufacturers must select the best selling model of each make of car. By relating his increased cost of materials and labor to his base period price, he will obtain a price adjustment factor.

This factor—a percentage figure—then will be applied to all models of that particular make to arrive at new ceilings.

G.M.'s Wilson made it clear, in an interview last night that he, too, feels the authorized increase is none too liberal.

Speaker Plays Taft, Bricker

Democratic Women To End Rally Today

COLUMBUS Sept. 8.—The Federated Democratic Women of Ohio elected officers today, heard a speech by the chairman of the Democratic national congressional committee and attended a tea at the governor's mansion.

These activities wound up a two-day convention of the organization. The luncheon speaker today was Republican Michael J. Kirwan of Youngstown, the congressional committee chairman.

Some 1,000 members of the organization yesterday heard Mrs. India Edwards, vice chairman of the Democratic national committee, lash out at Ohio's two Republican senators, Robert A. Taft and John W. Bricker. She remarked: "If I were a Republican, I wouldn't brag about either one."

Governor and Mrs. Frank J. Lausche entertained the delegates at a tea this afternoon.

Candidates for federation offices submitted by the nominating committee include:

President, Miss Martha Hostelt of Ravenna, first vice-president, Miss Ruth Pfeiffer of Toledo, second vice-president, Mrs. Jeannette Carver of Youngstown, financial secretary, Mrs. Marguerite Parrish of Dayton, recording secretary, Mrs. Helen Karpinski of Cleveland, and treasurer, Mrs. Charity McKinney of Vanata.

'Accept Pact,' Jap Premier Tells Meeting

Yoshida Delivers Dramatic Address; Makes 'Requests'

(Continued from Page One)

pan's hopes for return of the Ryukyu archipelago and the Bonins in the not distant future. Both the Ryukyus (Okinawa) and the northern Bonins are held by the United States under a United Nations trusteeship.

The premier denied Soviet assertions that Japan had grabbed the Kuriles and South Sakhalin.

He said Japan, short of 45 per cent of her territory, is hardly in a position to pay the reparations—in manufactured goods—specified by the treaty to be signed today.

"However," he added, "we have undertaken the obligations of the treaty in this respect, and we mean to carry them out."

The Indonesia delegation, Ahmad Subardjo, asked at the morning session whether Japan was prepared to pay for the shipment of reparations goods and to send technicians to Indonesia.

"Yes," was the Japanese premier's crisp answer.

Then he entered a plea for the more than 340,000 Japanese prisoners of war yet to come home. He did not say so, but most of these fell into Russian hands at the surrender in 1945.

In the name of humanity, Yoshida pleaded, "I would like to appeal to all Allied powers for continued assistance and co-operation toward speeding the repatriation of these hapless Japanese nationals through the United Nations, or by any other means."

He expressed hope the peace treaty will be signed by as many of the participating countries as possible.

For, he said, "Japan is determined to establish with them relations of mutual trust and understanding and to work together for the advancement of the cause of world democracy and world freedom."

Yoshida voiced "keen regret" that neither India nor Burma chose to attend the conference.

As for China, the premier said he is sorry that disunity prevents that country from being here. He declared significantly that the role of China trade in Japanese economy, important as it is, "has often been exaggerated."

Yoshida defended Japan's intention to sign a security pact with the United States.

He said "sinister forces of totalitarian oppression and tyranny" are sweeping half the Asian continent spreading unrestrained confusions at the very door of Japan.

"Being unarmed as we are, we must in order to ward off the danger of war, seek help from a country that can and will help us."

"That is why we shall conclude a security pact with the United States under which American troops will be retained in Japan temporarily until the danger is past or international peace and security will have been assured under the United Nations auspices or a collective security arrangement."

In a reference to the war of 1905, he said Japan was exposed once to the menace of czarist imperialism from the north.

Today, he added, it is the Communist menace that threatens her from the same direction. It is imperative for the sake of our very existence that we take an adequate security measure."

The Japanese premier protested that this should not raise the bugbear of Japanese peril to others.

He said Japan beaten and battered dispossessed of her overseas possessions and resources is absolutely incapable of equipping herself for modern warfare to such an extent as to make her a military menace to her neighbors.

TREATY COSTS JAPAN EMPIRE, BUT WINS SOVEREIGNTY. With the signing of the Japanese peace treaty in San Francisco, Japan lost an empire but gained the status of a sovereign nation. At the peak of her expansion dream, Japan had moved into the Pacific to the points indicated by dotted lines and had taken over a large section of South Asia. Under pact terms, Japan is reduced to her home islands, renouncing all rights to the southern Sakhalin Island and the Kuriles. Also Japan will concur in a U.S.-administered trusteeship of the Bonins and Ryukyus.

Girl's Tears Keep Prize Steer From Slaughterhouse

DAYTON, Sept. 8 (AP)—For more than eight months, 14-year-old Sherry Ann Eby bawled her Angus steer, Black Champagne.

This week she took him to the county fair and—naturally enough—it seemed to Sherry Ann—Black Champagne was the grand champion 4-H club steer.

But then the animal had to go the route of all grand champion steers—straight to the auction block. A Dayton food chain bought the beeper for \$492.45.

As the money was placed in Sherry Ann's hand Thursday night, she burst into tears. She knew Black Champagne was near the end of the trail—the slaughterhouse.

"Can't you wait until he gets a little older?" she asked Marvin Burick, sales promotion manager for the food chain.

Last night, there were tears in Sherry Ann's eyes again when Burick told her she could keep Black Champagne—and the \$492.45 too.

And if Sherry Ann can get advance assurances her steer won't be led to the auction ring again, she says she'd like to show him at the International Livestock Show in Chicago next month.

Truman Will Speak At Cornerstone Laying

WASHINGTON, Sept. 8 (AP)—President Truman will speak next Tuesday at 9:45 a. m. at the laying of the cornerstone for the new 25-million-dollar General Accounting Office building.

The seven-story limestone building, nearly complete and already in use, occupies a full block at G. H. Fourth and Fifth Streets, N. W., about five blocks from the Capitol. Eventually, it will house about 8,500 employees.

Treaty

(Continued from Page One)

Japan under which American troops will remain in Japan after peace becomes effective.

Gromyko's final reversal in debate came during a hectic night session in which he was hopelessly outmaneuvered by other delegations and the rulings of Secretary of State Dean Acheson as presiding officer.

When Yoshida had finished Acheson announced that all scheduled speeches had been concluded and the conference had to decide what next to do.

Gromyko was on his feet fast. He wanted to know what had happened to Russia's amendments, which he had circulated Wednesday. Among other changes they would have prohibited American troops in Japan after the occupation and would have drastically limited Japanese forces.

Acheson said that when Gromyko spoke Wednesday he had not introduced the amendments, but merely made a statement of them. He quoted Gromyko's own words to that effect. The Russian said the amendments were before the conference. Acheson replied sharply that what he said was "not in accord with the record."

Acheson ruled Gromyko out of order. The Russian protested. Acheson then went through a long explanation of why he considered Gromyko out of order and inquired, "Do I make myself clear, Mr. Gromyko?"

The conference then voted, 41 to 1, to end at 11 p. m. and permit 30-minute talks in the meantime. That ended any chance of marathon speeches from the Communist minority.

Acheson then called for a vote on whether he was right in ruling Gromyko's amendments out of order.

The conference sustained him 46 to 3.

Reservist Graduates In Atomic War Course

A Wellsville Army Reservist called back into service has been graduated from an atomic warfare school in Japan and now is in Korea passing on his training to various units.

He is John R. Fickes, 29, son of Mr. and Mrs. John B. Fickes, 1021 Riverside Ave., who was graduated two weeks ago in the Japan Logistical Command's Chemical Biological and Radiological School at Gifu, then assigned to Korea to train men in preventive measures against such attacks.

Young Fickes whose father is a lieutenant-colonel in the Army Reserve was called back over a year ago while attending Law School at Western Reserve University.

He was graduated from Wellsville High School and received his B.S. from John Carroll University. He served three years in World War II then was commissioned, entering the Reserves.

Replacement Sought For Raft Crewman

TELL CITY, Ind., Sept. 8 (AP)—The raft Lethargia drifted into Tell City last night with skipper Mary Ellen McCrady looking for a new male crew member.

Donald A. Brown, 23, of Detroit said he has to leave the raft in two weeks to return to the University of Michigan, where he is a junior.

Miss McCrady, 24, and Milton E. Borden, 30, of New Bedford, Mass., also are University of Michigan students, but they hope to complete the 1,800-mile trip from New Kensington, Pa. to New Orleans.

Geraldine Garcia, 24, Boston artist, is the fourth member of the original crew.

Miss McCrady said the only requirement for Brown's replacement is that he be "agreeable."

She previously had described the trip down the Ohio and Mississippi rivers as a sociological experiment in crowded living. The raft has traveled about 700 miles since the start July 19.

Fire Damages Home, Furniture At Salineville

SALINEVILLE, Sept. 8 (Special)—Flames damaged the interior of a two-story frame home of Jefferson St. Friday about 1:30 p. m., but most of the furniture was saved and the loss is covered by insurance.

Fire Chief Tony Brandoniso said the fire apparently originated in an unfinished storage room directly above the kitchen of the house occupied by Harry Green Jr.

That room was gutted, but others were less severely damaged, he said.

Volunteer firemen contained the flames. The house is owned by Mrs. Pauline Steitz of Lisbon. Green lived alone. He is a mechanic at a Lisbon garage.

Senators May Trim Tax On Corporations

George Hopes To Action On Bill Today Wind Up Committee

WASHINGTON, Sept. 8 (AP)—The \$2,280,000,000 corporation tax boost tentatively voted by the Senate finance committee may be trimmed today.

Chairman George (D) of Georgia of the committee told newsmen a motion may be made to trim off two percentage points as his group winds up its voting on the big tax increase bill. Such a cut would cost an estimated \$800,000,000 in revenue.

And George said there definitely will be a motion offered to make the corporate tax increase retroactive to July 1 this year instead of Jan. 1.

The House voted for Jan. 1 and the Senate committee tentatively went along with this in passing on corporation levies two weeks ago. Many business groups have protested the retroactive feature.

George said he hopes to finish his committee's drafting job on the bill today. Even so, it would be the middle of next week before a report could be prepared and the measure could be ready for floor consideration, he said.

As passed by the House, the bill would raise about \$7,200,000,000 of annual revenue. The senators now have trimmed this to a \$5,965,000,000 level.

Driver And 2 Riders On Bus Hurt Slightly

A Valley Motor Transit Bus Co. driver and two passengers received minor injuries in a collision Thursday night about 11:30 on Route 7 a short distance north of Stratton.

The State Highway Patrol at Wellsville said John C. Fultz of Wellsville, the bus driver, received a back injury and Edna Harrington of East Liverpool and Sharon Valentine of Port Homer were hurt slightly.

The bus had stopped to receive a passenger when it was struck in the rear by a car driven by James Pierce of Newton Falls.

The patrol said Jennings Eckles of Salineville R. D. 2 escaped injury Friday afternoon about 4 when his car went out of control on a county road and crashed into a garage owned by Norman Twaddle of Salineville R. D. 3.

Considerable damage was reported to both the car and building.

Industry PTA Holds Opening Fall Meeting

Mrs. Robert Beghin of Ohio View and Mrs. Jean Dowdell of the Beaver County Red Cross were guest speakers for the opening fall meeting of the Industry Township Parent-Teacher Association Thursday night in the Industry School.

Mrs. Beghin discussed "Civil Defense and Our Share in It," and Mrs. Dowdell, "The Red Cross Role in Civil Defense." A new record player purchased by the association was dedicated Mrs. Olin Kelly, president was in charge.

Lunch was served by a committee of officers headed by Mrs. Kelly.

Ohio Township Fair Will Wind Up Tonight

Three events topped off by a musical program will ring down the curtain tonight on the first annual Ohio Township Fair, which has been in progress at the Fairview Grange the last three days.

Cool and rainy weather hampered the program and kept crowds to a disappointing number, but fair officials are hopeful of a large turnout this afternoon and tonight.

Scheduled this afternoon at 2 was the tractor-pulling contest, at 4 a greased pig contest for children under 14, and at 6 the horse-pulling contest, both light and heavyweight. F. Paul Dawson is general chairman.

G.M. August Production Dips To Low For Year

NEW YORK, Sept. 8 (INS)—The General Motors Corp. announced yesterday that automobile and truck production in August dropped to the lowest monthly total this year, at 218,491 units.

Passenger car output last month was 175,526 units, compared with 176,028 in July and 299,499 in August of 1950.

Truck production during the month declined to 4,965 units, as against 46,84 in July and 55,800 in August last year. General Motors' best production month this year was March when 30,249 cars and trucks were turned out.

first in the bathing suit section. She is 18-year-old Charlotte Rosalie Simmen of Little Rock, Ark., according to her, the bathing suit isn't just for contests. Her favorite sport is swimming.

Miss Arkansas, who has brown hair and brown eyes, stands 5 feet 7 inches and weighs 130 pounds. She has a 24-inch waist, 36-inch bust and 36-inch hips.

The girls in the contest come from 44 states, Puerto Rico, Hawaii, Canada and four U.S. cities—Chicago, Philadelphia, New York, and Washington.

Miss Alabama, 21-year-old Jean Moody, and Miss Utah, Colleen Kay Hutchins, 25, won previous talent contests this week.

Miss South Dakota, Marlene Margaret Rieb, 19, was the third winner in the bathing suit division.

Because the evening gown winners are not announced and because the girls do not find out how they rate in the required breakfast with the judges, every girl in the contest may consider she has a chance until the selection of Miss America is announced tonight.

Patriotic Display To Return Oct. 5

The Crusade for Freedom is coming back to East Liverpool Oct. 5. It's the second tour through the district for the patriotic display used to raise funds for Voice of America broadcasts to Iron Curtain countries and to collect signatures on Freedom Scrolls that set forth the basic principles of American government.

Police Chief L. J. Wise was notified today the caravan will arrive in East Liverpool at 10 a. m., proceeding to Salem at 2 p. m. It will be in Wellsville Oct. 4.

The caravan is made up of a station wagon with a public address system and a two-ton flatbed truck that mounts a float style display. Details were forwarded to the chief from John H. Stewart of Columbus, chairman of the Ohio Crusade for Freedom committee.

The first swing through the district was in the Summer of 1950, when the caravan displayed a replica of the Liberty Bell and collected signatures on scrolls that later were displayed in Occupied Germany to combat so-called Stockholm peace petitions circulated by communists.

3,596 X-Rayed

LISBON, Sept. 8—The Columbiana County Public Health League completed a three-week industrial survey Friday when 43 employees of the Columbiana Boiler Co. and 401 visitors to the Columbiana Steel Fair passed through its mobile X-ray unit. Total count for the period is 3,596. Miss Lillian Schroeder, executive secretary, said.

7 Measures Wait Council

Legislation Includes Street Job Approval

Seven pieces of legislation are due for City Council action Monday night, including four tabled Aug. 20 for lack of enough votes to give them immediate passage.

Newly-drafted ordinances and resolutions call for:

- A traffic light at Anderson Blvd. and Park Way, a co-operative venture between the city and Liverpool Township because Park Way Spring Grove Ave., North Side Ave. lies half in the municipality and half in the township.

Vacating of 240 feet of an unused portion of Summit Lane to give City Hospital additional ground for planned expansion, and

Establishment of grades for four Pleasant Heights streets.

Held-over legislation due for action puts council's stamp of approval on plans for a \$600,000 street program, sets up a \$100-a-year license fee for itinerant hucksters and authorizes payment of a \$1,700 damage claim.

Officials said Liverpool Township trustees have agreed to buy the traffic signal for the busy Beechwood intersection if it is installed and maintained by the city. The center line of Park Way also marks the dividing line between the city and the township.

Streets on which the legislation would establish grades are Centre, Union, North Side Ave., to pool Township because Park Way Spring Grove Ave., North Side Ave. lies half in the municipality and half in the township.

Murder Case Appeal Will Be Heard Oct. 5

COLUMBUS, Sept. 8 (AP)—The Ohio Supreme Court on Oct. 5 will hear the appeal of Jerry Killinger, 18, from his first-degree murder conviction—just a year after the slaying of Harold Mast in Medina county.

Killinger originally was sentenced to die in Ohio Penitentiary's electric chair June 15 for shooting Mast, 30, his pal, Max Amerman, 27, to continue an affair with Mast's Norwegian bride Randi, 24.

Killinger received an indefinite stay of execution for the high court to consider his appeal and the court yesterday scheduled a hearing on the anniversary of the Oct. 5, 1950, slaying.

Amerman also received the death sentence for his part in the killing. Governor Frank J. Lausche granted him a second reprieve until Nov. 15, pending court consideration of Killinger's appeal.

Mortgage Fee Begins

COLUMBUS, Sept. 8 (AP)—A 50-cent fee for filing and canceling chattel mortgages will be charged by county recorders in Ohio starting yesterday. Attorney General C. William O'Neill said yesterday that chattel mortgages now on file can be canceled for 20 cents.

Work With Blind Told

Case Worker Talks At Lions Luncheon

Columbiana County has 97 blind pensioners, the Lions Club has told Friday noon.

Miss Mary Burneson of Lisbon, case worker in the county's aid-to-the-blind program, revealed the figure in a talk on her work at the club's weekly luncheon meeting in the Travelers Hotel.

In addition to the pensioners, the county provides medical care for visual defects for about 50 to 75 persons annually, she said. The program provides 10 services for the blind, including rehabilitation, work training and furnishing "talking books" and Braille books and magazines, Miss Burneson said.

Pensioners receive \$55 monthly and the amount will jump Oct. 1 to \$60 under a new state law, she said. The amount has risen gradually from the \$100 a year the blind received when the program first was started in 1917, administered by county commissioners.

An applicant must show need and prove that his vision in his better eye is not more than 20-200, with glasses, she said.

Miss Burneson was introduced by Earl Lones, program chairman.

Lones was presented a certificate in appreciation for work on the Sight-Saving Fund, with which the club aids the blind and the near-blind.

Richard Walker, who made the presentation, said similar certificates will be awarded Harold Howard and Albert I. McLain.

Leroy Chamberlain, president, announced the Board of Directors will meet Tuesday night at his home in Dixonville.

More Wooden Toys, Higher Prices Loom

WASHINGTON, Sept. 8 (AP)—Santa Claus, like everyone else, is feeling the pinch of metal shortages.

His bag will be packed with more wooden toys this Christmas and playthings generally will be priced slightly higher.

That was the word today from government officials charged with keeping a close eye on materials and prices. They said they based their predictions on information from the toy industry.

These officials said that in anticipation of metal shortages more toy makers than had been expected already have shifted to wood. Many will increase their use of plastic. Wood will be used for toys on an even wider scale in 1952.

One official told a reporter that in nine out of 10 cases prices will be higher this year than last.

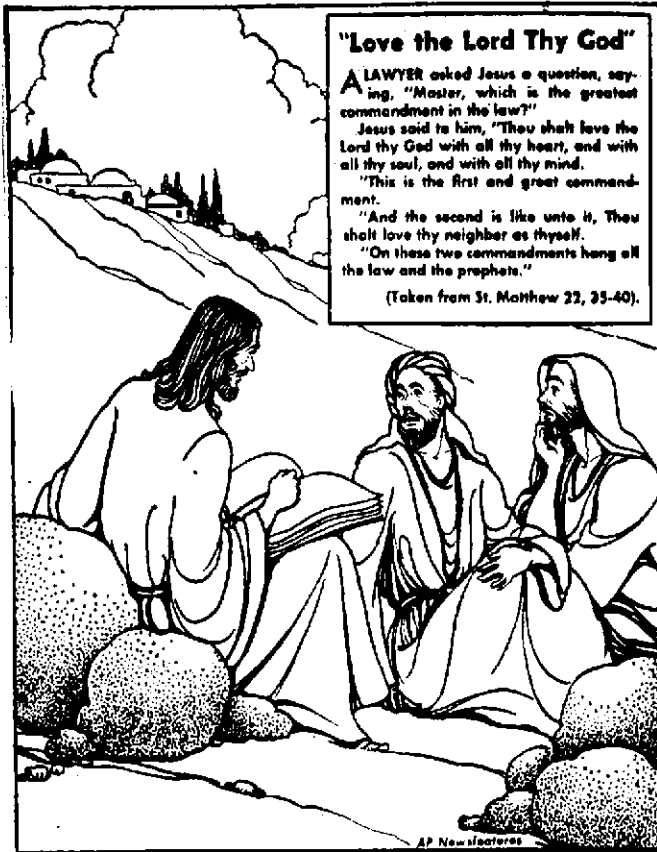

Car Inspection Delayed For West Virginians

CHARLESTON, W. Va., Sept. 8 (AP)—Annual inspection of motor vehicles, expected to start this fall, has been postponed indefinitely. Motor Vehicles Commissioner Don McClaugherty announced today.

An increase of work in the department and a lack of funds was blamed. The inspection was established by the new motor vehicle code.

The statute requires that each motor vehicle in the state be inspected at state-approved garages at least once a year. The fee is to be \$1.

Bible Lines

"Love the Lord Thy God"

A LAWYER asked Jesus a question, saying, "Master, which is the greatest commandment in the law?" Jesus said to him, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself. On these two commandments hang all the law and the prophets." (Taken from St. Matthew 22, 35-40).

Summitville

Mr. and Mrs. George Blair and children of Dunganon have moved to a house on the Oscar Pitts farm.

Mr. and Mrs. Ray Skinner and children have moved to California.

Shall I force my child to go to Sunday School and Church?

Yes, definitely!

Startled? Why? How do you answer Lucy when she comes to the breakfast table and announces, "I'm not going to school today!" You know, Lucy goes.

How do you answer when Lucy comes in beamduged with dirt and says, "I'm not going to take a bath!" You know, Lucy bathes.

How do you answer when Lucy, threatened with illness, says, "I'm not going to take that medicine!" You know, she takes it.

Why all this timidity, then, in the realm of spiritual guidance and moral training? Going to wait and let her decide what Church she'll go to when she's old enough? Don't fool yourself. By that time she'll probably believe that a decision neglected by her parents during her first twenty years might not be necessary at all. You didn't wait until she was "old enough" to decide she should go to school.

Afraid she'll later succumb to the old story about "... too much religion when I was young ... parents made me go?" This tale is obviously false. Just because she takes a bath tonight doesn't mean she'll discontinue them at the age of twenty-one.

What shall I say to Lucy when she announces she doesn't like Sunday School and Church. That's easy. Be consistent.

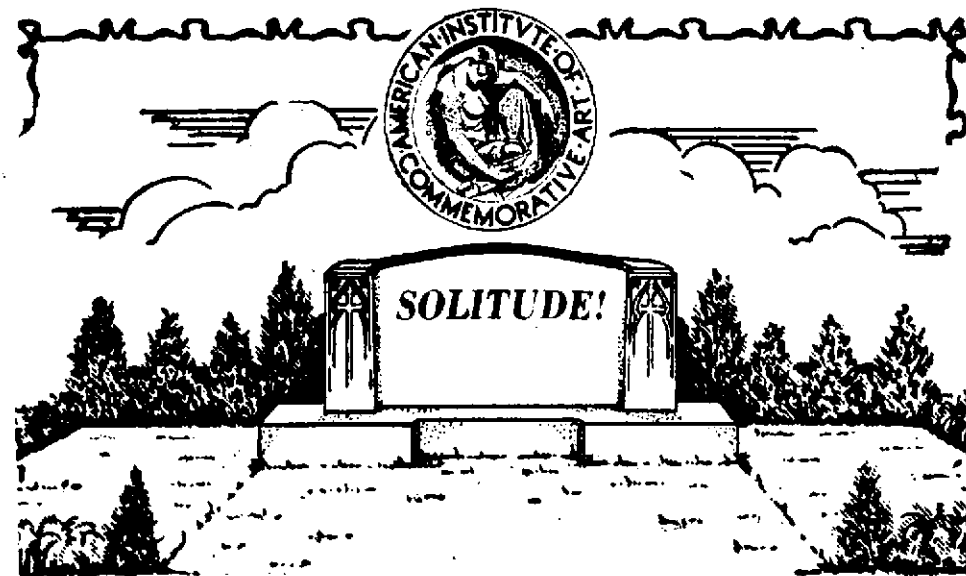

By firmness and example you can show her that church-going is a necessity. And in later years, she will thank you for bringing into her life the greatest values a mature person can possess—Christian habits and ideals.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Teamwork, Spirit Praised Team Developing Fast, Declares Chester Coach

Head Coach Andy Zubel today praised the fine teamwork and spirit of his Chester High School griders as he pointed them to the opening game of the 1951 season next Friday night at Toronto.

In his second year as boss of the Panthers, the youthful coach explained progress has been exceptionally fast and that the team has developed into a hard-working unit.

He predicted that "if we survive the first two games (Toronto and Wells) we should beat last year's record of five wins and three losses."

"It seems the longer and tougher the scrimmages become the better the boys like it," he commented. Drills are being held each day after school.

Fourteen lettermen are fitting into the Chester coach's plans for other outstanding prospects scheduled to see lots of action.

The team will be average in size, the line weighing between 155 and 160 pounds and the backs about 150. Veteran Tackle Homer Potts at 205 carries the most beef and appears to have one of the toughest tackles sewed up for the opening game.

Dick Clutter at left halfback and Bruce Powell at fullback pack 160 pounds each and the two lettermen right now have their posts cinched for the inaugural. They are the heaviest backs.

In workouts since Aug. 20, Coach Zubel said Potts and Ross Huffman, a center on offense and guard on defense, have been outstanding, but they are only a step ahead of the others.

Other leading candidates are Ends Bernie Fineman and Chuck

Mars High No Match For Leopards

By BOB SHAFER
Review Sports Editor

Mixing a strong running attack with a deadly overhead assault, the Midland High Leopards ushered in the 1951 gridiron season Friday night by trampling an outclassed Mars eleven, 24-0, before 3,500 fans at the Midland Athletic Field.

It was a fitting debut for Johnny Petchel, Midland's new coach who unveiled a big, strong forward wall and a half dozen hard-running backs who toiled deceptively from their T-formation.

The Leopards scored in two minutes and five seconds the first time they got their hands on the pigskin, and followed with touch-

Pruden Scores Wells TD's At Moundsville

Newell's fighting football machine threw a scare into the Moundsville ranks Friday night on the Marshall gridiron before losing in the opening game of the season, 26-13.

The Big Green kicked off and forced the home team to punt. The boot was downed on the Moundsville 45 and Coach John Robinson's forces wasted little time in hitting pay dirt.

With Frank Mangano, Ernie Pruden and Dick Harrison alternating at carrying the pigskin, Newell drove to the 25. Pruden then behind a screen of interference raced around his left end to score standing up. Mangano con-

Yankees Nip Senators To Grab Lead; Dodgers Hold 5 1/2-Game National Edge

By JOE REICHLER
Associated Press Sports Writer

Baseball may be a young man's game but the "old men" are shaping the destiny of the pennant race in the American and National Leagues.

The New York Yankees are back in first place in the American League thanks to Joe DiMaggio, 36, Johnny Mize, 38, and Allie Reynolds, 32, who led the club to a 4-2 triumph over Washington yesterday. Doubles by Mize and DiMaggio drove in three ninth-inning runs and gave Reynolds his 14th win.

Cleveland's Indians are only one percentage point behind the Yanks because of the brilliant pitching of 32-year-old Bob Feller. The star right-hander gave the Tribe a split in their twin-bill double-header at St. Louis. Feller shut out the Browns, 7-0, after Ned Garver had pitched St. Louis to a 4-2 opening victory.

Five innings of shutout relief pitching by 37-year-old Ellis Kinder helped the Boston Red Sox gain a split in their twin bill at Philadelphia, keeping them close to the leaders. Kinder, aided by three hits and two tallies by Lou Boudreau, 34, received credit for Boston's 8-5 opening win. The Athletics, however, won the nightcap, 11-4, as Billy Hitchcock, 33, batted in five runs with two triples and two singles, and 35-year-old Eddie Joost cracked a three-run homer.

Brooklyn retained its five and a half game bulge over the New York Giants in the National League race as 33-year-old Preacher Roe pitched an 11-6 win over Philadelphia. Third Baseman Billy Cox, 32, with two doubles and a triple, drove in four Dodger runs. It was Roe's 19th triumph against two losses.

Monte Irvin, 32, hammered his 19th homer and drove in three tallies to lead the Giants to a 7-3 win over the Boston Braves. Thirty-year-old Larry Jansen went the route for his 18th victory.

Elsewhere 32-year-old Virgil Trucks pitched and batted Detroit to a 2-1 nightcap victory over the Chicago White Sox in 14 innings. The Tigers, behind the five-hit pitching of Teddy Gray, also won the opener, 4-1. Trucks surrendered only five hits and drove in the winning run in the 14th with a double. The loser was 24-year-old Billy Pierce.

Billy Johnson, 33, hammered in four runs to lead the St. Louis Cardinals to an 11-4 victory over Pittsburgh. Cincinnati won an 18-inning 7-6 decision over Chicago's Cubs when Dixie Howell, 31, hit a long fly to score Hank Edwards, 33. The blow came off 41-year-old Dutch Leonard.

The Yankees came from behind to whip Washington and Sid Hudson in a bizarre finish. They opened their half of the ninth trailing, 2-1. Joe Collins singled and went to second on a sacrifice.

Hudson fanned Mickey Mantle for the second out but Mize pinch hit a double to score Collins with the tying run. Gene Woodling singled a pinch-runner Billy Martin to third and went to second when Hudson took a full windup pitching to DiMaggio.

Joe then sent a drive that bounced into the right field stands. The official scorer ruled both runs counted and credited DiMaggio with a ground rule double even though the rule book states that only one run should count. Later, President Will Harridge upheld the scorer's decision.

Garver stopped the Indians with seven hits in outpitching Mike Garcia. It was the Brownie ace's 16th win. Cliff Mapes' homer with one on highlighted a three-run first inning. Feller also gave up seven hits in registering his 22nd victory. He fanned eight. Al Rosen and Luke Easter got five of Cleveland's 16 hits.

Alex Kellner went the route winning his ninth game for the A's after Kinder had picked up his ninth victory against two losses for the Red Sox in the first game.

Marietta Claims Freaks Robbed It Of IRA Regatta

MARIETTA, O., Sept. 8 (AP)—Marietta appeared ready today to try to prove it was only a couple of unfortunate freaks of nature which robbed it of the Intercollegiate Rowing Association (IRA) Regatta.

The Marietta Rowing Committee heard yesterday—with no surprise—that IRA stewards have moved the 1952 Regatta to Lake Onondaga at Syracuse, N.Y.

The famous rowing race once known as the Poughkeepsie Regatta was moved to Marietta in 1950.

The night before the big race, a deluge flooded the Muskingum River, which empties into the Ohio at Marietta. It swept debris into the race course and forced the IRA stewards to cut the varsity race from the traditional three miles to two.

Heavy rains the week before last Spring's Marietta Regatta nearly duplicated the 1950 experience.

So Marietta knew even before the IRA's decision was announced yesterday that chances for the Regatta returning here in 1952 were slim.

But, a spokesman for the Marietta committee indicated yesterday, the group will map plans for its own Regatta at a meeting next Monday.

Robert Edwards, Marietta businessman and rowing committee chairman, said:

"We have no antagonism. We're always open for them to come back. And we still have the best location for their crew races."

Marietta still wants to prove to itself and the sports world that the upstream flood control dams provide consistently good rowing conditions.

The IRA announcement yesterday said:

"The stewards declared that equitable water conditions for all crews was the determining factor in choosing Lake Onondaga."

The big race, in which 10 to 12 eight-oared shells compete, always has presented a problem because of the difficulty of finding a wide, straight, calm stretch of water.

verted from placement and Newell led, 7-0, at the end of the first quarter.

Moundsville fought back in the second quarter, however, to score three quick TD's. Knight took a lateral from Caldwell and raced 20 yards to the Newell, 28, and on the second play of the new series Simms pitched to Underdunk for the touchdown. Try for extra point failed and Newell still led, 7-6.

A short Newell punt bounded out on the Newell 35, and Chamber scooted off tackle for the touchdown. Knight plunged for the extra point and Moundsville led, 13-7.

Just before the half, Caldwell passed to Chambers for the third Moundsville score, the play covering 61 yards. Try for the extra point failed and the half ended, 19-7.

Moundsville drove deep into Newell territory in the third, but Pruden intercepted a pass and rammed 75 yards for Newell's second touchdown. Mangano's extra point try failed.

The final Moundsville TD was posted in the same period. A drive of 45 yards was climaxed when Caldwell bounced over from the four. Reynolds bucked for the extra point.

Sugar Plans Style Change In Title Go

POMPTON LAKES, N. J., Sept. 8 (AP)—Ray Robinson lolled in the shade, flipping the pages of a magazine and snapping his chewing gum as he listened to the broadcast of a Dodger-Phillie game.

With his middleweight title fight against Champion Randy Turpin, only five days away he was the picture of a relaxed, well-conditioned athlete.

"I could fight tonight," he said.

Yesterday was a day off for him from his training chores, and only a few visitors appeared to disturb the serenity of the camp. The ex-champ was in an affable mood, and there was little of the cockiness that so often is associated with him.

"I think I'll win," was as far as he would go in a prediction.

"We live and learn, they say," he continued. "I learned a lot in the first Turpin fight. I learned I'll have to fight his type of fight this time. I've had to change my tactics."

"Turpin does everything they teach fighters not to do, but he does it well. He's a good hitter with both hands. He hit me up here," he pointed to a spot high on the cheekbone, "and it hurt."

Someone mentioned the cut he suffered in the fight, a wound requiring 10 stitches, and suggested that it had bothered him.

"Naw," he said. "I just didn't have it that night."

"You know," he added thoughtfully, "that defeat made me a bigger man. The reception I got home, and in France, after I lost, showed the people were back of me. I even got a telegram from the President."

"It will be a different fight this time," he said. "I might win, and I might lose. Our other fight wasn't a good fight to watch, the same thing round after round. It wasn't as good as my last fight with Jake LaMotta."

Death Takes Falcaro, One Of Bowling Greats

NEW YORK, Sept. 8 (AP)—Joe Falcaro, whose name was one of the greatest in bowling the last 25 years, died yesterday. He was 55.

Falcaro, who bowled 69 perfect games during his 40-year career in the sport, had been ill for three years with a heart ailment. Ten days ago he contracted pneumonia and was hospitalized.

Falcaro started as a 21-a-week pin boy in New York alleys and became one of the sports best known competitors. He won the world's match game championship in 1932 by defeating Joe Scriber of Detroit and still claimed the title at his death.

During the 20 years between 1921 and 1941 he averaged 196 at the A.B.C., the national championships. His home was in Lawrence, Long Island, N.Y., where he owned a swank bowling establishment that carried his name.

'Fixer' Out On Bail

NEW YORK, Sept. 8 (AP)—Jack West, 40, arrested as a "prime fixer" in the college basketball scandal, was free today in \$50,000 bail put up by a brother. West surrendered to the district attorney's office yesterday. He had been the object of a nation-wide search. Browns Face Once Mighty Bears Sunday

CHICAGO, Sept. 8 (AP)—The Cleveland Browns limped into town today for a professional football exhibition against the once fearsome Chicago Bears.

"Both clubs will take tarnished records into tomorrow afternoon's joust. The Bears have been beaten by the Los Angeles Rams and the New York Giants. And the Browns have been shaded, 21-20, by the Detroit Lions.

Coach Paul Brown will have trouble getting an offense in operation because of injuries to key men. Marion Motley, his No. 1 fullback, has been suffering from water on both knees and the Cleveland coach has wondered publicly whether he might be "over the hill". Motley is 31 and has played pro ball for five seasons.

Brown's No. 2 line plunger—Emerson Cole—sprained an ankle in the Detroit tilt. That leaves one hale and hearty fullback, Harry Jagade, formerly of the Baltimore Colts.

That's only half of the Browns' trouble of offense. Their star quarterback, Otto Graham, played the Tuesday game at Detroit while suffering a bad cold and may still be weak tomorrow.

In an exhibition before last season, the Browns edged the Bears, 27-23. After that Cleveland went on to cop the American Division crown and then the playoff for the National Football League championship. The Bears tied with Los Angeles for the National division title, but dropped the playoff leading to championship game.

They did beat the Rams twice during the regular season, 24-20 and 24-14.

So far this exhibition season, the Bears have beaten the San Francisco 49ers, 24-7; lost to the Rams, 42-14; and lost to the Giants, 14-0.

The Browns started their preseason work by beating the College All-Stars, 33-0. Then they whopped the New York Yanks, 52-0, before losing at Detroit.

Chicago will use a pair of Notre Dame graduates at quarterback—Johnny Lujack and Bob Williams. Lujack was the second highest scorer in the league in 1950 with 109 points. He also pitched 254 passes for 121 completions and 1,731 yards.

Graham threw 253 times, completed 137 for 1,943 yards.

BUZZ SAWYER

BY GEORGE! THIS IS INTERESTING!

HE'S A FUDDY-DUDDY NAMED MUFFIN! I MET AT THE DRUGSTORE, CRAZY ABOUT THE THEATER AND OWNS A BUTTON FACTORY.

SO WHAT?

SO WHAT? AREN'T YOU LOOKING FOR AN ANGEL FOR THIS SHOW? IF HE OWNS A BUTTON FACTORY, YOU NINNY, HE MUST BE RICH.

WELL, WELL, WELL! SUZI TELLS ME YOU'RE INTERESTED IN THE THEATER, MR. MUFFIN. WE'D BE HONORED TO HAVE YOU TAKE A PART IN OUR PLAY.

WHO? ME?

STEVE CANYON

WHY IF IT ISN'T OUR OLD FRIEND MAJOR CANYON! WHERE HAVE YOU BEEN STATIONED LATELY MAJOR?

HOW THOUGHTFUL OF YOU TO MEET US AT THE AIRDRIVE, MAJOR! SHALL WE MOTOR OVER FOR A BIT OF TENNIS BEFORE TIPPIN'?

COLONEL INDEX IS GOING TO HANDLE THE RACKET- AND YOU TWO WILL DO THE BOUNCING!

NOW WHAT COULD WE HAVE DONE TO BRING WCE TO OUR CO?

YOU WON'T BE LONG FINDING OUT! HE'S WAITING FOR US!

ISN'T IT ODD HOW SCORCHED THE GRASS SEEMS FOR SEVERAL FEET AROUND OUR BELOVED COLONEL?

SECRET AGENT

THE DAY AFTER THE ARRIVAL OF PHIL AND WILDA AT THEIR CAMP -

PHIL, WHAT DID OUR FIELD OFFICE LEARN ABOUT THE TWO CHARACTERS WE TURNED OVER TO THEM LAST NIGHT?

THE GIRL WAS A TRUSTED EMPLOYEE IN AN OHIO PLANT THAT IS WORKING ON A TOP-SECRET WEAPON! SHE MANAGED TO OBTAIN SOME VITAL INFO, WHICH OUR AGENTS FOUND SCRATCHED ON HER THUMB NAIL AND COATED WITH NAIL POLISH!

HER BOY FRIEND HAD FOREIGN CONTACTS - THEY WERE GOING TO SPLIT, UNTIL THE BASE DECIDED TO GO WHOLE-HOG! BUT, SAY - HOW ABOUT YOU AND ME SPLITTING A KISS?

WELL - IT TAKES TWO TO SPLIT ONE, MR. CORRISAN!

Solution of Yesterday's Puzzle

THE GUMPS

MR GUMP, YOU'RE PROBABLY WONDERING WHAT THIS IS ALL ABOUT...

WELL, TO BE FRANK, I... ER...

AS YOU MUST REALIZE, THE NAME OF FLORIAN STUMPP IS ONE TO BE RECKONED WITH IN THE WORLD'S FINANCIAL MARTS...

Y-YES, MR. STUMPP, I APPRECIATE THAT...

I HAVE BEEN OBSERVING YOU FOR MANY MONTHS... AND NOW, THE TIME HAS ARRIVED TO PUT YOU TO A TEST THAT I WOULD NOT ATTEMPT ON ANY ORDINARY MAN...

ANDY, WHAT'S THE TROUBLE? EVERYBODY IN THE NEIGHBORHOOD SEEMS TO BE COMING HERE. THEY SAY YOU'RE SUPERMAN!

OF COURSE HE IS, MRS. JONES. YOU'RE A LUCKY WOMAN! IMAGINE BEING MARRIED TO SUPERMAN.

HE'S OUR NEIGHBOR, TOO! HE CAN DO PLENTY FOR US, CAN'T YOU, ANDY... I MEAN, SUPERMAN!

HE CAN DO PLENTY FOR US, TOO, TRIGGER!

WHAT DO YA MEAN?

DON'T YA SEE, YA SAYS WE GET HOLD OF MR. SUPERMAN AND WE MAKE HIM DO WHAT WE WANT?

THE SERGEANT SENT ME TO TAKE OVER GUS ANYTHING GOING?

NOPE, AN CAN I USE SOME SHUTEVE

BUT INSIDE...

AND THAT'S THE WHOLE STORY GEORGE... THE GREAT YOU WAS BLACKMAILING ME! HE THREATENED TO TELL JERRY SHE WAS NOT MY DAUGHTER... THAT YOU WERE HER FATHER A CONVIC!

IT WORKED OUT BETTER THAN I THOUGHT, LEILA! NOW YOU'RE SAFE... AND SO IS JERRY'S SECRET!

BUT YOU, GEORGE! YOU'RE IN TERRIBLE TROUBLE!

NEVER MIND ABOUT ME... EVERYTHING'S GOING TO BE ALL RIGHT!

GASOLINE ALLEY

You're doing a good business, Corky. Ever consider building on?

Yes, but I've decided not

Bad psychology, Sleepzix. We pack 'em in and they love it.

People will come to a place that's busy. The busier it is, the more they want in.

With more space we wouldn't look that way, and they'd stay away.

Live and learn!

JOE PALOOKA

I TOLD YOU HE'S ASLEEP, AND I WON'T WAKE HIM!

LISEN, IT'S A QUESTION OF LIFE AND DEATH. PLEASE WAKE HIM! I GOTTA SEE HIM!

WHAT'S ALL THE COMOTION, MRS. BRA 'HOODY. CAN'T I HAVE A LITTLE QUIET?

WULL, MISTER. BILGE. HEY, MR. BILGEWATER!

I GOTTA SEE YA... WE'VE HAD A LITTLE ACCIDENT. IT'S A CATASTROPHE

W-HY WHAT HAPPENED, MR. WALSH AN EXPLOSION AT THE PLANT.

BLONDIE

BLONDIE WHY DO YOU ALWAYS HAVE TO STRAIGHTEN MY HAIR WHEN I'M TAKING A NAP?

I'M JUST THINKING OF YOU, DEAR

I WANT IT TO LOOK NICE FOR YOU WHEN YOU GET UP

TEREY

THE DRAGON LADY IS LONELY FOR THE ATTENTIONS OF AN ATTRACTIVE MAN, TEREY LEE. TAKE ME IN YOUR ARMS. PERHAPS FLATTERING WORDS WILL BRING YOU THE LIN REPORT...

CUT IT, D.L. THIS IS NO TIME TO PLAY HOUSE. GIVE ME THOSE PAPERS - OR I'LL...

YOU WILL TAKE THEM BY FORCE, PERHAPS, TEREY?

DICK TRACY

WITH THE TRUCK CARRYING THE ROLL OF CHICKEN WIRE FOR CHANG, TRACY REACHES THE SPOT WHERE THE DRIFTING BOAT WILL PASS.

I'LL DRIVE OFF THE ROAD AND PARK. YOU TOSS THE ROLL OF WIRE DOWN THERE WHERE THE MEN ARE.

JUNIOR, YOU STAY WITH TESS AND BONNY BRAIDS. I'LL GO DOWN AND HELP.

THE BOAT SHOULD PASS HERE IN 12 MINUTES. ONE OF THE OFFICERS TELLS TRACY.

EMPTY?
